### **PSC SETS HEARING SCHEDULE IN UNION ELECTRIC PROPOSED TRANSMISSION LINE CASE**

Jefferson City (June 25, 2002)---The Missouri Public Service Commission will hold hearings starting at 8:30 am on **September 30, 2002**, in a proposed transmission line case filed by a Union Electric Company d/b/a AmerenUE. These hearings, to be held at the Commission's offices located in the Governor Office Building in Jefferson City, will continue through October 2, 2002, if necessary.

The Governor Office Building, located at 200 Madison Street in Jefferson City, is a facility which meets the accessibility standards of the Americans With Disabilities Act. Any person who needs additional accommodations to participate in the hearings should call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or 1-800-829-7541 (TDD) prior to the hearings.

AmerenUE seeks Commission authority to construct a transmission line in Maries, Osage and Pulaski Counties. The proposed project is a 54 mile, 345 kilovolt transmission line. AmerenUE states the proposed transmission line is necessary for it to provide reliable service to its customers and to relieve overloads on nearby lines.
